

Kindness Rocks!

Rock Painting Party for Adults & Teens

Have you heard about this trend of spreading kindness throughout the Delaware Valley? It's simple: paint a rock with inspiring images or text and leave it somewhere in your community for another person to find. Let's spread the kindness around! Join us for rock painting and refreshments. Please bring your own rocks and we'll supply all the decorating materials. Also, wear clothing you won't mind getting paint on.

June 29th at 6:30pm

Open to Adults of All Ages and Teens!

Please register in advance.

Light refreshments provided.
