Volunteer Permission Slip

Dear Parent or Guardian,

In signing this permission slip, you are giving your teenager permission to volunteer at Marple Public Library after school or during the summer. We welcome volunteers ages 12-18. Their help may be in the children's, teen, adult, or nonfiction areas and may consist of some/all of the following: carrying and shelving books, shelf reading, assisting with crafts, straightening/cleaning shelves and toy areas, program set-up, mentoring, and some lifting/carrying.

We encourage you to stress to your teen the commitment they have made, and the importance of punctuality and professionalism. The Library will happily provide letters of recommendation, confirmation of service hours and references for volunteers in good standing.

We thank you for your participation in our library community.

Sincerely,
Amber Timlin
Teen Programming Assistant
&
Elena Maddox
Head of Children's Services
