

Seed Donation Form

The Safe Seed Pledge:

As a donor to the Marple Library Seed Library, I promise to grow plants and save seeds according to best practices to ensure that I return viable seed that will produce plants true to the variety I label them to be. Returned or donated seed must be clean and dry, non-GMO, open pollinated, heirloom, or heritage. NO HYBRIDS. Seeds must be labeled with plant name, variety, and the year and location in which the seeds were harvested. Notes about growth rate, taste, and color are great additions and information for future growers.

Seeds must be clean, dry, packaged & labelled. Please provide as much information as you can below:
